

REMARKS

Claims 15-36 remain in this application.

Claims 1-14, which were pending in the PCT following a response to Written Opinion, have been canceled and claims 15-36 have been added. Claims 1-14 were amended during PCT prosecution to conform to EPO practice. New claims 15-36 correspond substantively to the originally filed PCT claims, which were formatted according to U.S. patent practice. Thus, no new matter has been added. Favorable consideration of the pending claims is respectfully requested.

Respectfully submitted,

Steven W. Smith  
Reg. No. 36,684
